Merry Christmas

December 2014

Merry Christmas Ho Ho Ho yes you have guessed, it is the time of year when we drink too much (be careful of the new drink driving laws) and eat too much do they have a law against that? perhaps next year, in any case and no matter what the Scottish Government throws at the members of the GCMCC we can have an excellent time together as those who attended the annual Christmas Lunch can confirm.

The annual Christmas Lunch was held at the Newmacher Hotel aka Tilley's Lounge just along the A947 from Dyce near Aberdeen, approx. 28 members and partners attended, as we have come to expect the extensive menu and quality of food on offer did not disappoint.

A quiz with prizes for the winning team and a raffle with prizes generously provided by attending members plus prizes provided by Dan Peck and Mick and Linda Elstone who unfortunately could not attend topped off a really good lunch.

Thanks to our new secretary Nick Wade for organising what all agreed was a good day out.

Please see attached a selection of photographs of the event.

The last club night of 2014 was a resounding success with guest speaker Tom Gaynor of Aberdeen attending to present a history of Vincent Motorcycles, Tom imparted his extensive knowledge and experience as a restorer and owner of what is one of the most sought after of British Motorcycles, coupled with a ready wit, Tom provided a light hearted but serious view of what I would guess to be a subject close to his heart, well done to Mick Elstone for contacting Tom and arranging the talk.

The next club night scheduled for Tuesday 6th January 2015 at the Oldmeldrum British Legion will be a pool night, not having attended such a club night before I look forward to the evening with trepidation coupled with excitement, what on earth is he on about I hear you say. Well I have been told (I am unable to divulge my source) that GCMCC pool nights are highly competitive events with large sums of money (I hear as much as 10p) changing hands over hotly contested matches. For those of a more delicate disposition I would suggest spectator status would be more fitting.

That's enough drivel for now, I hope you and your loved ones have an excellent Christmas and a very Happy and Prosperous New Year.

Safe Riding
Tony
